Can you see the line? This is an example. Now you listen and draw lines.

M: What about Robert? Is he here yet?

FCH: I don't think so. He's always late!

M: Wait! That's him, over there!

FCH: Where?

M: He's on the bridge. Can you see him? He's looking at something in the river.

FCH: Oh, yes. Look. His hat's fallen into the water.

M: Oh dear.

M: And who's that boy?

FCH: Do you mean the boy who's carrying a guitar?

M: Yes.

FCH: That's Michael. He's going to play in the theatre. He's very good at music.

M: But look at his hair! It's very long!

FCH: Lots of boys have long hair these days, Dad.

FCH: Look! There's Helen. She's going into the theatre.

M: Do you mean the girl who's wearing a dress?

FCH: No, she's wearing jeans and a jacket.

M: She's got short hair. Do all your girl friends have short hair and the boys have long hair?

FCH: No, Dad!

M: Can you see any other friends?

FCH: Yes. There's one boy from my class sitting in the street.

M: Oh, yes. That's Jack, isn't it?

FCH: That's right.
M: Why has he got a notebook in his hand?
FCH: He's probably going to draw pictures!
M: In the street?
FCH: Yes. He loves art! He draws everything.
M: Where's your friend Bill? Is he coming to the theatre?
FCH: He's in that café.
M: Is he sitting with his mum?

FCH: Yes, that's right.

Can you see the answer? Now you listen and write.

F: Where are you staying, Sarah? In a hotel?
FCH: Yes, we are.
F: And what's the name of the hotel?

F: And who are you in London with?
FCH: I'm here with my aunt.
F: Oh, so that woman's not your mum.
FCH: No, she couldn't come to London.
F: Why's that?
FCH: She's working. She can't have a holiday this month.
F: Now, how many days are you staying in London, Sarah?
FCH: We're here for six days.
F: When did you arrive?
FCH: Yesterday.
F: That's Monday. So you're going home on Saturday?

F: And where are you going this afternoon?
FCH: To a toy shop. I'm going to buy a birthday present.

TRACK 22

Part Three. Listen and look. There is one example. What happened to the pupils in Robert's class last year?

M: Hello Robert. Did you have a good day at school today?

MCH: Yes, it was fun. We learned about disasters in history.
M: The children in your class have a lot of disasters, don't they?
MCH: Yes. Do you remember what happened to Vicky last year?
M: Yes. That was a terrible accident. She was sailing with her dad when some lightning hit the boat. They jumped in the water and a helicopter came to get them.

Can you see the letter F next to Vicky? Now you listen and write a letter in each box.

M: And another friend had an accident last November, didn't he?
MCH: Oh yes. William and his friends were jumping in some leaves in the garden. His dad was burning things and the leaves caught fire. The boys had to go to the hospital. But they were OK.
M: That was lucky.
MCH: But one of the boys wasn't lucky.
M: Why?
MCH: Well, when they were jumping in the leaves, David put his watch in his coat pocket. He thought about it the next day but it wasn't there. So he lost it.
M: Oh dear.
MCH: And then there was Mary.
M: What happened to her?
MCH: She was going downstairs. Her little brother's toy car was there. She put her foot on it and she fell.
M: Did she break her arm?
MCH: No, she broke her tooth. She couldn't smile!
MCH: And her sister Jane fell down the next day too.
M: Really?
MCH: Yes. She was climbing up a tree and it was really wet. She fell onto the ground and she hurt her leg. She couldn't play football or volleyball for four weeks.
M: And did your friend Alex have an accident too?
MCH: Oh yes. He wanted to make a sandwich for lunch. He was cutting the bread with a big knife and he cut his finger.
M: Right. Well, I'm going to make some sandwiches for us now. But don't worry. I'll be careful!
MCH: That's good, Dad!

Listening Part 4 (5 marks)

Key: 1 C, 2 B, 3 B, 4 A, 5 C.

TRACK 23

Part Four. Listen and look. There is one example. Where in town was the fire?

M: Did you hear about the fire in town yesterday?
F: Was it in the clothes shop like last year?
M: No, it was in a café. But nobody was hurt. The firefighters came from the fire station very quickly.
F: That's good.

Can you see the tick? Now you listen and tick the box.

1 *Where was the café?*
F: Which café was it?
M: You know if you go from the train station straight up the High Street?
F: Yes?
M: Well, it's in the first street on the left.
F: Oh yes. I know. That's Mr Green's café. But it's not my favourite. I like the one that's in the first street on the right. I go there with my friend on Friday mornings.

2 *Where did the fire start?*
F: And where did the fire start? Was it in the kitchen?

M: No, it was because of the storm yesterday evening.
The lightning hit the building.
F: That happened to me last year and my computer caught fire.
M: Well this fire started because the lightning hit the clock on the wall outside.
F: Wow! That's a surprise.

3 *What was Mr Green doing when the fire started?*
F: Was Mr Green in the café when the fire started?
M: Yes, he was. He was talking.
F: On the phone? That's dangerous when there's a storm.
M: He was talking to one of his customers, Mrs Smith. She goes shopping and then goes to the café for a cup of tea.

4 *What did the customers do when the fire started?*
F: Did the customers run out into the street?
M: You shouldn't run when there's a fire. No, they were very good. They all walked out of the café and went home.
F: Didn't anyone stand in the street and watch?
M: It was raining a lot so I don't think they wanted to do that.

5 *Where did the man hear about the fire?*
F: How do you know about the fire? There wasn't anything on the TV last night.
M: I know. My friend told me about it.
F: Well, perhaps it's going to be on the radio news today.

Listening Part 5 (5 marks)

Key: 1 a green castle door next to the policeman, 2 a red small coffee cup, 3 PIZZA written on the board outside the café, 4 blue T-shirt on boy listening to music, 5 sun drawn in sky above trees and coloured yellow.

M: Can you help me with this picture? Can you see the castle?
FCH: Yes. It looks very strong.
M: Yes, it does. Can you colour it grey?
FCH: OK. That's a good colour for a castle.

Can you see the grey castle? This is an example. Now you listen and colour and write and draw.

1
M: Now can you colour the castle door?
FCH: Which one do you mean?
M: The one where the policeman is standing.
FCH: Oh, OK.

M: Why don't you colour it green?
FCH: Right. I'm doing that now.

2
M: Now look at the café. Can you see the two women sitting outside? They're both drinking coffee.
FCH: Yes, I can see them.

M: Why don't you colour one of their coffee cups?
FCH: OK. Shall I colour the one next to the piece of cake?
M: No. Colour the other one.
FCH: Right. I think I'll colour it red.
M: That's a good idea.

3
M: I think you can have something to eat here too. Look the cook's going to write something on the board outside.
FCH: Oh yes. What do you think he's going to write?
M: I think it's PIZZA. Do you want to write it for him?
FCH: OK.

4
M: Can you see those boys? You could colour one of their

T-shirts.
FCH: OK. I'm going to colour the T-shirt of the boy listening to music.
M: What colour are you going to do it?
FCH: I'm going to do it blue.
5
M: What else do we need in the picture?
FCH: Well, there's nothing in the sky.
M: That's right. Can you draw a sun in the sky?
FCH: Where can I draw it?
M: Above the trees.
FCH: Here?
M: Yes. That's lovely. Now colour it yellow.
FCH: OK. Now it's a nice sunny day to go to the castle.

M: Thank you.

Can you see the answer? Now you listen and write.

FCH: At school. My teacher says it's OK.

M: And how did you have the idea?

FCH: Well, it started in my Geography class.

M: Oh, yes?

FCH: Yes. We learnt that lots of people in the world are

hungry. So we're going to sell food to get some money.

M: Who will you give the money to?

FCH: It's called 'Help the Children'. They give two meals a day to children who haven't got very much food.

M: It's a great idea. What are you going to cook?

FCH: I'm going to make chocolate spiders. But other people are going to make cakes and biscuits.

M: I'd like to buy some!

M: And how many people are going to be at the party?

FCH: There are about 30 children in my class but people from other classes can come too.

TRACK 27

Part Three. Listen and look. There is one example. What did the children in the class make?

F: What are all these things in your classroom?

FCH: Oh, we're studying the senses. We had to make something about a sense.

F: So, what did you make, Anna?

FCH: I chose the sense of touch, so this is my project.

F: It looks like an animal.

FCH: Yes, it's a tiger. I made it with fur. It feels nice.

Can you see the letter D next to Anna? Now you listen and write a letter in each box.

F: Tell me about the other people in your class. Did anyone choose the sense of hearing?

FCH: Yes. This is Katy's project. She made a CD with sounds of people in her family. You can hear her mum, her dad and her sisters. They're talking and singing. And you can hear her little baby sister too. She sounds really angry!

F: Which is David's project?

FCH: His project's a picture about the sense of sight. He's using three shapes: circles, triangles and squares.

F: Is his picture a house?

FCH: No, it's a baby with a hat on.

F: I think the hat looks like a roof, don't you?

FCH: Yes, it does.

F: What about taste? Who chose that?

FCH: Oh, that's Richard. Can you see? His project's a box with food in it. He made it all. There are some sweets, some chocolate and some cake. The sweets taste really nice!

F: Did Sally choose taste too?

FCH: Why?

F: Well, there's a picture of some cheese with her name on it.

FCH: Oh no! Her project's about smell. That cheese was really strong. It was horrible. It smelled like old socks! We had to open the classroom windows all morning.

F: And what's John's project?

FCH: He's really clever. He's making a bicycle. It's made of recycled metal and it can move! But it sounds strange when you move it. It sounds like an old car!

F: No. I wasn't ill. Your grandfather was ill.

MCH: Really? Is he all right now?

F: He's fine. He's working in the garden today.

2 What did Jason eat?

F: What did you eat at the party?

MCH: Well, there were chips, salad and pasta.

MCH: I wasn't very hungry. So I just ate some chips.

F: Did they taste nice?

MCH: They tasted OK. But they smelt horrible.

3 What did the birthday cake look like?

F: Did you have a birthday cake?

MCH: Well yes, but there was a problem. Mum bought one from a shop. It was very funny.

F: Why?

MCH: It had a doll who was dancing on the top!

F: Couldn't your mum find a cake that looked like a train or a football?

MCH: No. The shop didn't have any others. But it tasted nice. And everyone sang 'Happy Birthday'.

4 What was Jason's favourite present?

F: What presents did you get?

MCH: My parents bought me a really nice book about science. And my friends bought me a toy spider.

F: That's nice. What was your favourite present?

MCH: Your present, Grandma!

F: Really? You like the watch?

MCH: I love it, thank you. Look. I'm wearing it now.

5 When is Jason going to visit his grandparents?

F: When can you come to see us, Jason? On Thursday?

MCH: Saturday's better. You see, I've got an exam at school on Friday, so it's not a good idea to come before that.

F: Fine. Make sure you're hungry! I'm going to cook you a big meal and make you a cake too.

MCH: Thank you!

William and boy fallen down on ice by piece of wood

M: Does she wear glasses sometimes?

FCH: Yes, but she's not wearing them now. She doesn't wear them when she's playing ice hockey.

M: Good idea. It's very dangerous.

M: Ha ha! Look! There's a dog on the ice!

FCH: Oh no! Where did it come from?

M: I don't know, but that boy is having problems with it!

FCH: Oh, that's Paul. I think he's trying to take it back to his dad but he's not very good at skating.

FCH: Oh, no! William's fallen over!

M: Where?

FCH: He's there on the left. I think there's some rubbish on the ice. Is it a piece of wood?

MCH: Yes, it's C-H-A-R-T-E-R. Charter.

F: Thanks.

F: And now we have to write your favourite school subject.

You've got a badminton racket in your bag, so I think you like Sport.

MCH: Well, I do. But it isn't my favourite. I've come to the library to borrow lots of books about Science. That's my favourite subject.

F: OK. And how many books do you want every month?

MCH: Well, in the holidays, I read about eight books a month but when I'm at school I haven't got time for so many.

F: Mmm. OK. Well, let's put five.

MCH: That sounds good.

F: Right. What kind of book do you want today?

MCH: Well, I'm doing a project for the school ezine. I want to write about the tree frogs in South America.

F: That's lucky. We've had a new book about them this week.

MCH: Great.

TRACK 32

Part Three. Listen and look. There is one example. What sports are the children good at?

M: Mrs Sims, a lot of children in the school are good at sport.

Shall we give out some class sports prizes this year?

F: That sounds like a good idea, Mr Jakes.

M: What sports do the children in your class enjoy?

F: Well, Nick loves sailing. Did you know he's been in a world competition with his father?

M: Wow! That's fantastic.

Can you see the letter F next to Nick? Now you listen and write a letter in each box.

M: And what about his sister, Katy? Is she good at a sport?
F: Yes. All her family are good at sport but her favourite is swimming. She goes to the pool in town every morning before school. She's won four gold medals.
M: Really? That's wonderful.
M: Now what about Anna? She lived in Canada, is she good at snowboarding?
F: Yes, but her best sport is skiing. She can go downhill very fast. She always finishes first.
M: Who else is there? Oh yes, John! What can he do?
F: He's really good at athletics. He's won six prizes at his club for the high jump. His mum says he jumps over things at home too! He can't stop!
M: We've got a volleyball team in the school. Is anyone in your class good at that? Lucy's good at playing ball games.
F: Yes. But she's good at basketball. She's the best player in my class. She's very good at scoring goals and she can run fast.
M: Now what about Michael?
F: Well, he's terrible at most sports! But he's good at climbing. He's in a club and he often goes up mountains with his father in the holidays.
M: Well, all the children in your class sound fantastic. Why don't we give them all a prize?
F: Great!

TRACK 33

Part Four. Listen and look. There is one example.

Which museum did Sarah go to?

M: Hello Sarah! How was your school trip to the museum?
 Did you see lots of beautiful art?
FCH: We didn't go there, Grandpa.
M: Oh. Where did you go?
FCH: Well, I wanted to go to a museum and learn about music but we went to the science museum.

Can you see the tick? Now you listen and tick the box.

1 *How did Sarah travel to the museum?*

M: How did you get there?
FCH: It's a long way. It's too far to walk. And my mum couldn't take me and my friends there in her car because she was busy. We went on the school bus.

2 *How long did it take to get to the museum?*

M: How long did it take?
FCH: It was really slow. It took one and a half hours!
M: Why?
FCH: Well, it only took half an hour to get from the school to the town. But there was a cycling competition near the museum. There were lots of people on bicycles! So the last part took one hour!

3 *What did Sarah see at the museum?*

M: So what did you see in the museum? The computer section? It's wonderful!
FCH: No. That was closed.
M: Oh dear. So where did you go? To the dinosaurs?
FCH: Some people from my class went there but my friends and I went to see the snakes.

4 *Why did Sarah fall?*

M: Did you have a nice time?

FCH: Not really. I had an accident.
M: Oh no! What happened?
FCH: Well, I was walking through the museum when I fell over.
M: Are you sure no one pushed you?
FCH: No, there was some water on the floor. My friends thought I was playing. So they started to laugh at me.
M: Oh dear!

5 *What did the museum send to Sarah?*

M: Did anyone from the museum say sorry?
FCH: Yes. They sent me a card the next day. It was beautiful! It had a picture of a bat on it.
M: That's good.
FCH: And they sent me two tickets to go again next month.
M: Are you going to go?
FCH: Yes. Would you like to come with me, Grandpa?
M: Yes, please!

TRACK 34

Part Five. Listen and look at the picture. There is one example.

F: The children are having a nice picnic in this picture.
MCH: Can I colour it?
F: OK. What do you want to colour first?
MCH: Can you see the cows in the field?
F: Yes.
MCH: I'm going to colour the one that's sitting down.
F: What colour are you going to do it?
MCH: I'm going to colour it black.

Can you see the black cow? This is an example. Now you listen and colour and draw and write.

1

F: The two boys are fishing in the river.
MCH: Shall I colour one of the fish? That one's very beautiful.
F: Which one?
MCH: The one on the grass with a spotted tail.
F: OK. Colour that one green.
MCH: Right.

2

MCH: I'm going to colour a bird now.
F: Which one? The one in the tree?
MCH: No. The one that's flying. Look at its big wings.
F: What colour are you going to do it?
MCH: Yellow, I think.
F: OK. That's a great colour.

3

F: Do you want to draw something now?
MCH: All right. What shall I draw?
F: I think the girl needs something to drink.
MCH: Shall I draw a bottle of juice?
F: Good idea. Put it next to her hand on the ground.
MCH: OK.
F: And now colour it orange.
MCH: Right. I'm doing that now.

4

MCH: There isn't any rubbish in the picture, is there?
F: No. Everyone has put it in the bins.
MCH: What do you think is in the one on the tree?
F: I think it's for paper. Why don't you write PAPER on it?

MCH: OK. Good idea.

5

MCH: The children have got some plastic bags.

F: Yes. One of them's got the food in it.

MCH: I'm going to colour the other one, I think. It's got some sun cream next to it.

F: OK. Colour that bag blue.

MCH: Right. I've finished. This is a really good picture.
