Ricky: We've got too many.

Sophie: Really? Are you sure?

Ricky: Yes! We've got a hundred of them!

2 Sophie: And have we got enough biscuits?

Ricky: I think we've got too many of those, too.

Sophie: Look, we haven't.

Ricky: OK. We need to buy some more biscuits.

3 Sophie: Right. Sandwiches. I don't think we've got enough.

Ricky: I'm sure we've got too many of those. Have a look in the kitchen.

Sophie: Oh, yes. You're right.

1 Mum: Did you have a good time at the Space Centre?

Peter: Yes! It was fantastic, Mum.

Mum: Did Tom go? I know he wanted to see the lunar module.

Peter: Yes, he looked at that and the countdown clock, but only for five minutes. He loved the space capsule the most. He wanted to sit in it all day!

2 Mum: Was the lunar module interesting?

Peter: Well, I liked it, but Kim's already seen it.

Mum: What did she look at, then? The spacesuits?

Peter: No, she looked at the control panel. She wants to be an engineer.

3 Mum: Did Robert look at the control panel, too?

Peter: Robert didn't like the Space Centre very much.

Mum: Really?

Peter: No. He just looked at the headsets. The man tried to explain the information on the screens to him, but Robert wasn't interested.

4 Mum: Could you put the spacesuits on?

Peter: Yes, Sue tried all of them! They were different colours.

Mum: So, not only white?

Peter: That's right. Sue liked the one with a jet pack on it best. It was black.

5 Mum: Did you watch any videos, Peter?

Peter: No, I didn't. There was one of the space capsule on the screen in the hall, but I was looking at a photo of a crater, so I didn't see the video.

6 Mum: So did you see everything else?

Peter: Almost. I loved the countdown clock, and the lunar module was amazing. But I didn't see the launch pad. It's outside and it was raining. I'd love to go back and see it another time.

Mum: Well, you're on holiday from school next month. Shall we go then? I'd like to see it, too.

Peter: Yes, please!

4 Uncle Joe: What about doing sports? Do you play hockey at school?

Emma: Yes, we do. It's OK, but we play football too, and that's fantastic.

Emma: I don't mind doing Science. But it's difficult.

Emma: Yes. Learning languages is very important.

Jack: OK.

Sophie: If I had lots of money ... , I'd buy a plane.
